## ADVANCED NOTICE OF MONTHLY SUBSCRIPTION FEE INCREASE

Dear Families,

Sadly, due to rising costs, we have had to review the subscription charge for club members. As a quick summary, our main expenditures over the last 12 months have been:

Cost for pool hire	£11,525
Affiliation to Swim England (including insurance)	£ 2,040

In addition it costs £950 to train one teacher to Level 2 coaching standard, and over the past year we have funded 3 people	£ 2,850
---	---------

<b>EXPENDITURE</b>	<b>£16,415</b>
--------------------	----------------

Our income is mainly from monthly fees at £162 per year per swimmer	<b>INCOME      £15,575</b>
---	----------------------------

It has been several years since we have raised the subscription and we hope you understand our need to make this increase at this time.

We therefore advise you that, from 1st March 2020, our revised monthly fee will be £15. This equates to a weekly lesson costing £3.60. We would be really grateful if you would amend your standing orders accordingly.

With thanks,

Broadstairs Lifeguard and Swimming Club
